Dear Friend of Israel,
You are contemplating a most remarkable journey—one that millions have undertaken since Abraham traveled there many thousands of years ago.

If God is calling you to Israel, then you can’t afford not to go. If you feel inclined to go with us, rest assured that you will be putting your spiritual and material self in the hands of people who specialize in doing things in the Jewish way, and in embracing Israel.

Zola Tours is not a tour company in the classical sense. It’s a ministry helping Christians see Jesus, Scripture, and the Jews through Messianic eyes—thus its close affiliation with Zola Levitt Ministries. I am grateful to walk in the footsteps of my father, Zola. And I’m thrilled that you are thinking of walking in Abraham’s.

Since the Exodus, there’s never been anything so spiritually rejuvenating as a trip to the lands of the Bible! Let me welcome you to a truly one-of-a-kind event. —ZOLA LEVITT

For more than thirty years our ministry has taught the Bible on nationally syndicated television. During that time, we have also produced numerous pro-Israel television programs, books, and news magazines. In fact, when it comes to travel, the Holy Land is our only destination: We specialize in Israel and also offer unique excursions to biblical sites in Greece and to Petra in Jordan.

Your inclination to make a pilgrimage to Israel is important to me, and precious to Jesus. Zola considered touring the Holy Land so important that he innovated the itineraries we still follow to bring it to you most effectively.

I know you’ll be blessed touring Israel with our team. It would be a privilege to have you put your hands in ours and enjoy a journey in which the Lord will transform your life.

Shalom,

Mark Levitt

We cover those sites with our islands and at Ephesus in Turkey. Paul stopped at certain Mediterranean and Ephesus. To better appreciate the Biblical sites are located mainly within our special spiritual and worldly pleasures. Each of our tours contains its own basic and extended tours to assist you in making your choice.

Our ministry has taken tours to the Holy Land for more than three decades, and we are very experienced. The friends and associates we have developed over the years ease our way and make Zola Tours more informative and more secure than most others. We keep our buses and guides available for evening excursions, and add seasonal activities when possible. Most important, our tours help you connect the Old and New Testaments, all from a Messianic Jewish perspective! Below we compare our basic and extended tours to assist you in making your choice.

Each of our tours contains its own special spiritual and worldly pleasures. Our Deluxe Israel Tour provides your foundation in the Holy Land, and this ten-day itinerary anchors every tour. The Grand Athens and Grand Petra Tours extend your experience in the Holy Land by adding excursions to Bible sites of great significance. Biblical sites are located mainly within the area bounded by Israel and Greece. Paul stopped at certain Mediterranean islands and at Ephesus in Turkey. We cover those sites with our Grand Athens Tour, which includes the Deluxe Israel Tour and Greece extension, with a cruise of the Greek Islands and at Ephesus. To better appreciate the Exodus, we offer the Grand Petra Tour: the Deluxe Israel Tour plus an extension to Petra in Jordan—the “rose-red city half as old as time” carved from solid rock—and the luxurious Red Sea resort of Eilat. The excursion to Petra includes a spectacular ride through the Negev Desert, roughly following the path of the Children of Israel in the wilderness. The Ultra Grand Tour comprises all three legs: Greece, Israel, and Petra. These extensions are essential for complete biblical understanding, but of course, they do add to the overall cost of your tour.

Obviously, your time availability and financial situation permits, we offer the Deluxe Israel Tour in order to experience the Greece or Petra extensions. So, we strongly recommend that, if your financial situation permits, you take our Ultra Grand Tour (Greece-Israel-Petra) the first time and see it all!

We invite you to join us for a life-changing pilgrimage in the Holy Land.

Exodus, we offer the Ultra Grand Tour that a particular tour host includes as the “side dishes.” We have more than spiritual and historical experiences as we travel. We have FUN!

At times we’re able to add private concerts, or lectures, or folk dancing sessions, or various other options. Our shopping excursions are intelligently planned with merchants who have served our groups equitably for many years. I could go on and on—there are terrific activities on the spur of the moment, so I can’t list them all. Even so, I can promise you that any extras will be almost as memorable as those very special times on the

PILGRIMS’ PRAISES

“I truly enjoyed every aspect of the trip— I have thought many times since we got home how safe, secure, and loved I felt the whole time I was with the tour. I’ve wished many times I could see it all again!”
B. R. — Denton, Texas

“I am still basking in the excitement of that tour! Not in my wildest dreams did I ever think it was going to be that great. Such loving people, great leaders, and great sights! I have a head full of mementos to last me well over a lifetime, or at least until the Rapture comes.”
F. H. — Britbin, Pennsylvania

“There aren’t words to express how much your tour meant to me. I’ve gone to Sunday School since a very early age and taught Bible study for years, and I can truly say I learned more on your tour than all those years together. I look forward to going back again.”
B. F. — Ozark, Alabama

“My time with the tour was a magical experience, one that I have not add one or both extensions, because frankly they are a bargain. Once you have paid to cross the Atlantic Ocean, the tour price for adding an extension decreases dramatically. Pilgrims have been known to return a second time, repeating the Deluxe Israel Tour in order to experience the Greece or Petra extensions. So, we strongly recommend that, if your financial situation permits, you take our Ultra Grand Tour (Greece-Israel-Petra) the first time and see it all!

We invite you to join us for a life-changing pilgrimage in the Holy Land.

I’ve always thought that a tour brochure should contain more than a day-by-day itinerary. The spiritual sites you will visit will remain in your heart forever, but some of the memories of a trip to the Holy Land involve the “side dishes” that a particular tour host includes as the “side dishes.” We have more than spiritual and historical experiences as we travel. We have FUN!

Mount of Olives, the Garden of Gethsemane, the Upper Room, the empty tomb, the Western Wall, a baptismal service at the Jordan River, the boat ride on the Sea of Galilee, the Mount of our Lord’s great Sermon (where you will hear the Beatitudes read in Hebrew and English), and all the rest of those sacred moments God wants you to experience in this life.

We’re bound for the Promised Land!!

Our Grand Petra Tour explores many fascinating sites. We pass through the Arava Valley on our way to Eilat, a resort village on the Red Sea where summer lasts throughout the year. We cross into Jordan to reach nearby Petra, whose famed rose-red buildings and monuments were chiseled out of the mountainside before the time of Christ. The overland tour of the Negev Desert—in all its stark, primitive beauty—can be appreciated best in person and we traverse its entire length on our route from Jerusalem.

Day 1
Our Petra extension begins with a relaxing drive south from Jerusalem through the Negev Desert to the paradise resort city of Eilat, stopping on occasion to enjoy the scenery. At Timna Park we see a replica of the Tabernacle in the Wilderness that Levites spent 40 years constructing. Next, we visit the Eilat Stone Factory, and moving as the Holy Spirit lead. We spend the night at our way to Eilat, a resort village on the Red Sea where summer lasts throughout the year. We cross into Jordan to reach nearby Petra, whose famed rose-red buildings and monuments were chiseled out of the mountainside before the time of Christ. The overland tour of the Negev Desert—in all its stark, primitive beauty—can be appreciated best in person and we traverse its entire length on our route from Jerusalem.

Day 2
An early morning drive takes us to Aqaba in Jordan, from where we turn north toward Petra—the “rose-red city half as old as time.” Once there, we wind our way down a narrow sandstone gorge flanked by towering cliffs; some of us walk with our guide, and some ride by carriage or horse to the main entrance. We meet in front of the Treasury—the highlight of Petra—and are simply awestruck at the detail and craftsmanship the ancient Nabataeans were able to accomplish in this primitive rock-cut monument. Some will venture a little farther to view the ancient Mitzpe-Ramon, a 20 mile-long geological wonderland. Then we travel on to one of Abraham’s wells sitting among the ancient ruins in Be’er Sheva, a town visited by Abraham, Isaac, and Jacob. After a scrumptious dinner in Tel Aviv, we depart for the airport and our flight back to the U.S. There is much more to see and experience in this Land, so we will definitely want to return in the future—for certain to the New Jerusalem! This has been an extraordinary and life-changing pilgrimage.

Day 3
Today we visit the magnificent Acropolis, Parthenon, and Mars Hill, where Paul preached his stirring sermon on the God who “dwelleth not in temples made with hands.” We climb the steps of the Parthenon for a breathtaking view of the Parthenon, an engineering marvel.

Day 4
Driving alongside the beautiful Aegean Sea, we head to Corinth, an ancient trading center where we see what may be the bema seat before which Paul testified. We also visit the ruins of a mighty natural fortress at Acrocorinth, and drive by the Port of Kechries where Paul landed and cut his hair in fulfillment of one of his vows. We are forever grateful to Paul for bringing the Gospel to the gentiles. Tonight we pack and tomorrow we cruise!

Day 5
This morning we begin our peaceful Mediterranean cruise. Relaxing on deck in the warm sun, we set sail for Mykonos, a picture-book Greek island with lovely shops, hundreds of tiny chapels, and a harbor busting out of New Testament times. We’ll sleep well tonight, knowing this classic vessel is ably manned by some of the world’s most experienced seamen.

Day 6
Excitement builds as we approach Ephesus, the most impressive archaeological site in Turkey. Here, we walk along the same marble streets as Paul on his way to the massive 24,000-seat stadium. We marvel at the accuracy of our Bible! Our guide points out a Jewish menorah etched in a step at the Celsius Library—proof of Jewish presence among the ancient Ephesians. A stunningly beautiful island paradise greets us as we sail to Patmos. Here, we visit the Grotto of the Apocalypse, the cave where tradition says Apostle John wrote the Book of Revelation. Back on ship, we reflect on another incredible day!

Day 7
Landing at Crete (believed to be the ancient Minoan kingdom dating to 3000 B.C.), we tour the impressive Knossos Palace. A wealth of artifacts provide a glimpse into the sophisticated civilization that thrived here millennia ago. Finally, cruise stop: the breathtaking island of Santorini. We have the afteroon to stroll through picturesque Oia Village, famous for its whitewashed houses with blue shutters, blue-domed churches, and fiery sunsets. One last night at sea; tomorrow we join fellow pilgrims in Israel!
Day 1
This is an exciting day as the Deluxe and Grand Petra pilgrims leave the U.S. to visit what will be our homeland one day. Our overnight flight should allow time for rest before we arrive in Israel. We can hardly wait!

Day 2
As we approach Ben Gurion Airport in Tel Aviv, we see the Mediterranean coastline from either side of the plane. It’s been a long flight, but everyone seems excited, and many applaud as we touchdown in the Holy Land. As we board the bus, our guide welcomes us in Tel Aviv, we see the Mediterranean coastline from either side of the plane. From there we see the Church of the Holy Sepulcher in Jesus’ time—such incredible detail! Scroll finds, including the Dead Sea Scrolls and a scale model of Jerusalem on our way to the fascinating archaeological site of Megiddo—one of Solomon’s chariot cities where excavations expose layers of more than twenty civilizations. After overlooking Nazareth, Jesus’ boyhood home, we drive to our hotel on the shore of the Sea of Galilee. What a day!

Day 3
How lovely to wake up hearing rhythmic waves lapping the shore of Israel! After an incredible breakfast buffet, we drive along the Mediterranean coastline on our way to Caesarea to see the stately, ancient Roman amphitheater where Paul stood trial. Imagine the excitement of Cornelius, the first gentile of the Church Age to be saved, when he met Peter at this very place. We’ll drive through the Valley of Armageddon on our way to the fascinating archaeological site of Megiddo—one of Solomon’s chariot cities where excavations expose layers of more than twenty civilizations. After overlooking Nazareth, Jesus’ boyhood home, we drive to our hotel on the shore of the Sea of Galilee. What a day!

Day 4
Another great breakfast and off we go by boat across the Sea of Galilee, just as our Lord often did, taking time for our morning praise and worship service. We disembark at Ginosar to visit an ancient boat from Jesus’ time. Next stops: Tabgha—where our Lord preached, performed miracles and called His disciples; Capernaum—home of the Apostle Peter where Christ healed Peter’s mother-in-law, and site of the ancient synagogue where Jesus taught. A short bus ride takes us to the Mount of Beatitudes where silence falls as the group listens to the Beatitudes read in Hebrew and English.

Day 5
Today we travel to Tel Dan to explore its numerous archaeological finds, including an ancient archive from Abraham’s time, and on to Caesarea Philippi, where Peter proclaimed Christ’s identity with boldness. Then up to the Golan Heights to enjoy a breathtaking view from Peace Vista. Now we understand why the Golan Heights is so vital to Israel’s security. Another amazing day in the Holy Land!

Day 6
Excavations in the ancient Roman capital of Beit She’an reveal numerous civilizations—we could spend a full day at this one place! Our guide has promised an interesting lesson about Shiloh, the first capital of Israel where Hannah prayed for Samuel, and the Ark of the Covenant stood for 369 years before it was captured by the Philistines, and then later carried to Jerusalem. We’ve extremely enjoyed the Galilee, but the best is yet to come! Today, we finally set foot in the Holy City. JERUSALEM! It really does feel like home… as we proclaim all praise, glory, and honor to the King!

Day 7
This morning we drive south through the beautiful Judean Hills to historic Masada, Herod’s hilltop fortress where the Zealots of Israel stood to the death against the siege of the Romans. We can see why pilgrims have traveled from across the world to see this singular ancient site. Next stop, Qumran, where a shepherd boy discovered the Dead Sea Scrolls—proof positive of Isaiah 40:8. This is the perfect place to stock up on world famous Dead Sea skincare products. And finally, floating on the Dead Sea and enjoying its healing waters. This is an experience like no other!

Day 8
This morning we visit the Mount of Olives, Palm Sunday Road and the Garden of Gethsemane, the place where our Lord often went to pray. After a short time of prayer, we cross the Kidron Valley to see the important work at the southern and western walls of the Temple Mount, and the ancient City of David. As we walk through these sites, we see structures that were built at the time of King David, some three thousand years ago! The stones in the retaining wall are HUGE. This part of the tour is worth the whole trip! At the Western Wall, we join our Jewish friends in prayer—we are standing on holy ground! Our group sings “Amazing Grace” in the Upper Room, site of our Lord’s Last Supper with His Apostles. Since many of us will head home tomorrow evening, this night we enjoy a memorable Farewell Dinner and hear emotional testimonies of our pilgrimage. We’ve all made some very special friends, and look forward to seeing them again—here or when the trumpet sounds!

Day 9
This day begins with a solemn visit to Yad Vashem, Israel’s national memorial to the Holocaust, a record of man’s inhumanity to man. But our spirits are lifted as we wander through the Friends of Zion Museum with state-of-the-art interactive technology honoring the many Christian friends who have stood with Israel and the Jewish people throughout their tumultuous history. At the Israel Museum, we have the privilege of examining the original Dead Sea Scrolls and a scale model of Jerusalem in Jesus’ time—such incredible details! From there we see the Church of the Garden Tomb.

Day 10
Deluxe and Grand Athens pilgrims travel back home.

Unless the Lord is telling you to stay, by all means GO! A short bus ride takes us to the Mount of Beatitudes where silence falls as the group listens to the Beatitudes read in Hebrew and English.

Our imagination doesn’t do the Mediterranean justice — what a beautiful site! We should all rest well tonight.

Our “floating hotel” has spacious dining rooms, swimming pool, gym and sauna, hairdressers, duty-free shop, and all the trimmings. Add the gourmet food for the experience of a lifetime! Here’s a sample journal.

Day 1
Soon the Grand Athens and Ultra Grand pilgrims will be walking in Paul’s footsteps in some of the most remarkable places mentioned in the New Testament! We can’t help comparing Paul’s arduous journeys over land and sea to traveling on wide-body jets and relaxed cruise ships; then marvel at how travel has changed since the first century!

Pilgrims to Israel have many tour options whose activities and prices vary greatly. Touring with a local church can be an exhilarating spiritual experience. Airlines and travel agencies typically offer tours secular in nature and a little disappointing to serious Bible Believers. Tours led by ministries, such as ours, tend to offer the most varied and complete Israel experiences, and their prices reflect the extra value.

We cover those sites with our Grand Athens Tour, which includes the Deluxe Israel Tour and Greece extension, with a cruise of the Greek Islands and Ephesus. To better appreciate the

Exodus, we offer the Grand Petra Tour: the Deluxe Israel Tour plus an extension to Petra in Jordan—the “rose-red city half as old as time” carved from solid rock—and the luxurious Red Sea resort of Eilat. The excursion to Petra includes a spectacular ride through the Negev Desert, roughly following the path of the Children of Israel in the wilderness. The Ultra Grand Tour comprises all three legs: Greece, Israel, and Petra. These extensions are essential for complete biblical understanding, but of course, they do add to the overall cost of your tour.

Obviously, your time availability and financial situation must determine which tour(s) you take. More than once we have seen pilgrims regret that they did not add one or both extensions, because frankly they are a bargain. Once you have paid to cross the Atlantic Ocean, the tour price for adding an extension decreases dramatically. Pilgrims have been known to return a second time, repeating the Deluxe Israel Tour in order to experience the Greece or Petra extensions. So, we strongly recommend that, if your financial situation permits, you take our Ultra Grand Tour (Greece-Israel-Petra) the first time and see it all!

We invite you to join us for a life-changing pilgrimage in the Holy Land.

Pilgrims’ Praises

“We loved the tour, loved the teaching! We learned a lot, walked a lot, and ate our way across the Middle East. We’ve been on ‘secular’ tours and we really appreciated the loving, Christian care that you and your staff provide. I felt like we were on a magic carpet that carried us across three weeks of wonderful times and memories.”

G. C. — San Antonio, Texas

“Not sure I’ve ‘touched down’ yet—this trip was surely the peak experience of my life, even more exciting than my wedding.”

C. S. — Dallas, Texas

“I truly enjoyed every aspect of the trip—I have thought many times since we got home how safe, secure, and loved I felt the whole time I was with the tour. I’ve wished many times I could see it once more.”

B. B. — Denton, Texas

“I am still basking in the excitement of that tour! Not in my wildest dreams did I ever think it was going to be that great. Such loving people, great leaders, and great sights! I have a head full of memories to last me well over a lifetime, or at least until the Rapture comes.”

F. H. — Briston, Pennsylvania

“There aren’t words to express how much your tour meant to me. I’ve gone to Sunday School since a very early age and taught Bible study for years, and I can truly say I learned more on your tour than all those years together. I look forward to going back again.”

B. T. — Ozark, Alabama

“I’ve always thought that a tour brochure should contain more than a day-by-day itinerary. The spiritual sites you will visit will remain in your heart forever, but some of the memories of a trip to the Holy Land involve the “extras.” Those activities that a particular tour host includes as the “side dishes.” We have more than spiritual and historical experiences as we travel. We have FUN!”

At times we’re able to add private concerts, or lectures, or folk dancing sessions, or various other options. Our shopping excursions are intelligently planned with merchants who have served our groups equitably for many years. I could go on and on— but sometimes our guides think up terrific activities on the spur of the moment, so I can’t list them all. Even so, I can promise you that any extras will be almost as memorable as those very special times on the

Mount of Olives, the Garden of Gethsemane, the Upper Room, the empty tomb, the Western Wall, a baptismal service at the Jordan River, the boat ride on the Sea of Galilee, the Mount of our Lord’s great Sermon (where you will hear the Beatitudes read in Hebrew and English), and all the rest of those sacred moments God wants you to experience in this life.

We’re bound for the Promised Land!!

An Invitation from Mark Levitt

If God is calling you to Israel, then you can’t afford not to go. If you feel inclined to go with us, rest assured that you will be putting your spiritual and material self in the hands of people who specialize in doing things in the Jewish way, and in embracing Israel.

Zola Tours is not a tour company in the classical sense. It’s a ministry helping Christians see Jesus, Scripture, and the Jews through Messianic eyes—thus its close affiliation with Zola Levitt Ministries. I am grateful to walk in the footsteps of my father, Zola. And I’m thrilled that you are thinking of walking in Abraham’s.

Since the Exodus, there’s never been anything so spiritually rejuvenating as a trip to the lands of the Bible! Let me welcome you to a truly one-of-a-kind event. —Zola Levitt

For more than thirty years our ministry has taught the Bible on nationally syndicated television. During that time, we have also produced numerous pro-Israel television programs, books, and newsmagazines. In fact, when it comes to travel, the Holy Land is our only destination: We specialize in Israel and also offer unique excursions to biblical sites in Greece and to Petra in Jordan.

Your inclination to make a pilgrimage to Israel is important to me, and precious to Jesus. Zola considered touring the Holy Land so important that he innovated the itineraries we still follow to bring it to you most effectively.

I know you’ll be blessed touring Israel with our team. It would be a privilege to have you put your hands in ours and enjoy a journey in which the Lord will transform your life.

Shalom,

Mark Levitt
